DATE: 22ND JANUARY 2020

Dear Sir/ Madam,

INTERNATIONAL STANDARD SERIAL NUMBER (ISSN)

The George Padmore Research Library on African Affairs is the National Agency for the issuing of numbers for every serial published in Ghana. This number apart from identifying each serial published gives the serial publication international recognition.

We have therefore allocated a serial number to your publication named:

SELECTED PAPERS FOR COREVIP 2019

The serial number **ISSN** is: 2704-4858

This number should be printed as stated, that is on the **cover page (front page)** of the serial. **Two (2)** copies of the serial are required after publication and subsequent copies should be submitted to the Library according to its frequency in compliance with the Legal Deposit Law.

Please Note: 2 copies of the first edition should be submitted at the Library by the end of **FEBRUARY 2020**. **Failure to comply means your ISSN will be re-allocated.**

Thanks for your cooperation.

Yours faithfully,

R. Anyet
